TORONTO

==CANADA==

IT IS safe to say that no City of equal size in America contains so many substantial and artistic homes, and so delightful a series of residential districts as Toronto. *It is essentially a City of Homes*—and on the different pages of this Souvenir Booklet are those of its leading Professional, Financial and Commercial Residents. The buildings are all constructed from marble, stone, or brick, not a single frame house of any note in the entire City.

Residence of the late Goldwin Smith, now a Public Park
